Achievements:

5 players from our centre have been selected to attend the England emerging talent camp on 14th Dec.

Congratulations to:

- Jordan Twiss
- Jack Green
- Reiss Blackwell
- Bolohan Phillips
- Eddie Flynn

We're sure they will do really well on the day and represent NWCP in a really positive manner both on and off the pitch.

Good luck lads and enjoy your day.

You may have heard recently that a documentary was made by MUTV about the Manchester United Deaf squad starring our very own Sean Bailey as he was their manager over a 3 year period. Sean stepped down from this role at the end of last season as he had a baby on the way. This documentary was aired a couple of weeks ago on MUTV and has been a massive success so well done to Sean for his big screen début.

Sean has also been short listed for the FA licences coaches club disability coach of the year award (which Michelle won last year, so we are once again representing the North West in disability football).

Well done again to Sean for this and congratulations on being short listed.
