Please note: As of May 2021 we are currently at Stage 2 and will aim to get to stage 4 before the Christmas break. The competitive disability leagues we can access for older players will not commence until later in 2021 at the very earliest.

We hope to keep moving up the stages however as the situation is still a little uncertain there is a possibility at some point that we may also have to go back stages, or implement other restrictions to fall in line with government guidelines and FA guidelines

THANK YOU!!!!!!!

For your co-operation, patience, understanding and support.

Lets keep looking after each other and staying safe 😊
